Your story, like your spelling and punctuation, gets shakier with each reply. If I don't get the shorts by end of business Monday, July 27th, you or whoever will get negative feedback.

I understand....however,I will ask to my friend,,cuz he borrowed my ID to sell this pants...that why I won't receive negative feedback with not my fault..if my friend change his mind to sell at cheap price.....then I will let you know...also,you said that you will give me a neutral feedback once when you receive this pants on time.Then I will give you a same feedback that you gave me...if you give a negative feedback,,then I will give you one,too.Also,I apolize about this happen twice....and this wasn't fault....it's my friend's fault....However,I'm a trust seller & really won't receive a negative feedback with not my fault....I will let you know sooner.

Thanks

>>>David,
>>>
>>>I'm not real happy about that.

>>>Ebay offers different ways to help you get the minimum price you want.
